Welcome to your place to shine . . .

We are very excited about this new publication; we felt it was time to put a magazine together that the pageant community would be proud to be a part of. Our family has been a part of the pageant community for over eighteen years, myself as a competitor, as well as my parents as vendors (photographers).

As anyone knows once you have been bitten by the pageant bug there is no turning back. I can tell you from my personal experience that by entering pageants it has made me a self confident individual in addition to a well rounded young adult. My pageant experience has opened up many doors for me in modeling and television. (next issue more details)

Our staff has high expectations for Glitzy Girls for the upcoming year. We intend to bring you exciting facts and real life experiences from those in the pageant community. This magazine can serve as an insider's guide to what's hot in the Pageant World right now - to what's going on in the contestants lives when they are not competing.

Our goal is to provide you with a resource for information as well as entertainment. Please feel free to submit your ideas and thoughts to the editor.

Be sure to visit our website to find out how you can become the next Glitzy Girls Cover Model! Be sure to join our Facebook Fan Page - Glitzy Girls Magazine for free give a ways!
