

Happy Holidays, Oh what a year we have had . . .

Happy Holidays, Welcome to your Holiday Issue as you can see we have put out a double issue celebrating Winter and New Year's in our Special Edition, they are jam packed with so many stories and photo layouts, you will want to pick it up again and again to look through it.

Our Winter Edition cover features our real life angel Isabel Raese, we want to thank her for her time and patience while we got our perfect shot while at Heavenly Angels this past November.

Speaking of Heavenly Angels we were very honored to be part of a pageant that does so much for charities throughout the year. For those of you who do not know about the system we highly recommend that you check it out. (Next pageant is in the Spring)

Our Fashion Layout was shot at the beautiful Mohegan Sun in CT. We shot seven lovely young ladies from around the country who worked so hard, for so many hours and it really shows. They are all wearing KidCuteTure Clothing, please be sure to check out their line, the quality of the clothing is just amazing. We have seen many clothing lines but the workmanship and fabrics are truly unmatched.

Miss Stacie planned 2 fun filled shoots for the holidays for Glitzy Girls Magazine; we held two PJ shoots at Heavenly Angels. All the girls monogrammed pajamas are from www.chasing-fireflies.com.

We also have our featured stories, YES! we have Mr. Tim!!! We love him so much; I have basically know Mr. Tim my entire life. I could not imagine a pageant without him, he is what makes a pageant an EVENT!

Also we have a few stories about the girls in pageantry who are branching out into the entertainment industry as well, so many more interesting stories inside. What are you waiting for? Turn those pages!!!

Olivia-Paige Brown
Editor-in-Chief

pageant girl since 1995

Glitzy Girls Channel

This a link added to our updated website where you can go watch videos of interviews, behind the scene taping of our photo shoots, (new) commercial segments from our vendors and much more.
