glitzy girls

Oh' the sweet smell of Spring . .

I can't believe it's been an entire year already since we shipped the first Glitzy Girls Magazine (GGM)! I think we are off to an incredible start with many big plans still a head. Our readership base has gone international along with our advertising base. We can't wait to see what year 2 brings our way.

The past four months were very exciting, we have been working with designers domestically and abroad to bring you clothing that is not mainstream. What makes this endeavor even more exciting is the opportunities it brings to the people of the pageant community to model for some of the world's top designers.

In the last month alone GGM has shot five little beauties for a fashion layout on location for Ninachka Couture by Nina Hovnanian in Orlando, Florida.

In Nashville, Tennessee seven beautiful girls shot Lipstik Girls new and exciting fashion layout. Also while in Nashville we shot our Summer Cover Model wearing Sherri Hill.

One of the most exciting things we have done to date is the "live scouting of models" and with the designer clothes on hand we just shot the girls as they are selected! We did this in Orlando with the Ninachka Couture and again in Nashville with the Sherri Hill's New Children's Line.

Last and not least our exciting 1940s Fashion Layout shot here in Central New York, with clothing supplied by the same stylist and shop that supplies the hit television show Mad Men. Unique Vintage supplied us with our wardrobe, very classy with clean lines, and just overall fun to wear. I have to thank Chasity Miles for flying up to New York for the shoot along with Miss Kelly Raby Lyerly for our vintage hair/make-up styling.

In this issue you will find my feature story, I thought it was fitting for the first year anniversary of Glitzy Girls Magazine that you got to know the real me.

Lady Sylviane a pageant legend shares her life with us, her life is full of adventures that all started with a pageant in France.

Lee Ann Herring-Olvedo; 2011 Miss Kentucky United States shares her experiences to the crown.

We have also spotlighted KeyAnn Williams and Alana Gleaton pageant girls making their marks, plus so much more.
