

*"No spring nor summer beauty hath such grace,
as I have seen in one autumnal face."*

John Donne

Welcome to the Tween Edition; somehow this very fascinating group tends to get left out of many out of our fashion shoots! We have featured many toddlers and small children, teens and adults alike, but this incredible group gets lost in the midst.

Incredible, I say?... YES! These are some of the coolest, trendiest people on Earth. Among discovering who they are, they give no apology for their individualism, they dress the way they want (by inventing / creating their own styles), have their own speak (new words added daily), and they're just border lining being a kid and being a full-blown teenager.

So what does this get them? Well, it is the Halloween season and what kid doesn't like to go out trick-or-treating? They never get to the door and hear, "Hey, aren't you a little old for this?" Nope... they rake in the candy! I should also add that it's a really hard age to be; a tween. It's the age you start to notice boys, but you're too young to date, so someone being your "boyfriend" consists of holding hands in the hallways at school or hanging-out at the Mall with friends. I remember this age: memories and fun times.

This is the issue for our Tween Divas! With our fashion shoots in Virginia Beach and New York, these girls were incredible models and gave us a lot of laughs! We enjoyed it so much that we decided to include a sneak-peek of our new Giocos Couture Magazine in this issue. This new venture will launch later in 2012: giocoscouture.com, the website will be up-and-running at the first of the year. This magazine will specifically cater to teens and tweens who show a real love for fashion and won't be another "run of the mill" clothing magazine for this generation. We will feature vogue and classic styles and will not only be covering fashion, but everything that interests teens today. We want to spark the creative minds of today's youth, from what their everyday concerns are, to where they see their World heading in ten years.

Also in this issue, you will meet some of the coolest pageant people like Tayler Tarabokija, who I had the pleasure of working with on the Roma e Toska shoot. Our Spotlights are shining bright on Chloe Kasey who is a real doll,

Devin Borrer, a fiery red-head, and Brandi-Lyn Morse who opted to share with us her inner strength in her time of real-life turmoil.

We have added Max Gross (NYC) to our staff, whom has years of experience as a stylist on fashion shoots and movie sets under his belt and will be joining our staff as our Marketing Editor. With his vast experiences within the fashion World, we are excited to know and share him as being a great asset to our staff.

Max and I hit Fashion Week in NYC in September, along with hobnobbing with the big names of fashion at the "Invitation-Only" parties within the fashion community.

This next year will be an exciting one as we move ahead and build our name within the fashion community.
