

We have had a very busy few months working on the Winter Issue, while simultaneously working on our Special Edition which will be out in the beginning of 2012.

We would like to congratulate Ciara Bouyer on her Cover Model win, look for her to grace the cover of the next issue (Special Edition).

We are pleased that Alexis Meiklejohn was nice enough to take time out of her busy schedule to shoot for our cover and represent Ooh! La La Couture.

Speaking of Ooh! La La Couture we would like to send owners Jennifer and Anne a HUGE thank you for all their support, making little girls dreams come true everyday between the pages of our magazine.

We work with so many wonderful designers who have never wavered in their support, we appreciate them more than we can express.

Inside this issue you will find we are featuring Madonna Durbin, along with other national directors, you will be given a different, more personal view of each director.

Colleen Charlton shares a bit about herself, family and businesses within the pageant community.

Spotlighted you will find Toni Forcier, who I basically grew up competing with. Toni is all grown up and making her mark in the world, she is going to school and doing what she loves best - performing.

Also featured Donna Butts, you will find information about another pageant coach Georgie Jordan. I personally coached with Miss Donna for a short period of time when I was about 7 & 8, she is a wonderful lady, and highly in demand.

Miss Georgie - what can I say about you (lol), I feel like we grew up together. I do not get to see you as often as I once did; as when I was competing all the time, but I was given an opportunity to judge this summer and I was in awe of the woman you have become. I wish you continued success in everything you do.

You can read more about Georgie in the Special Edition, along with other pageant contestants and vendors who ventured into the entertainment industry..
