**W**hat an amazing weekend we had, starting with Saturday's Winter Wonderland Pageant, and then wrapping up the weekend with the Glitzy Girls Magazine Fashion Shoot. This was our first pageant in New York State in almost 15 years, we're so please that everyone who came out got a chance to see what Glitzy Girls is all about!

We want to thank all the families for braving such incredible weather to join us. It was actually pretty nice here in Syracuse where the pageant was being held, (it was the southern states that were hit by the storms.) Thank you to all the families who kept in touch with us throughout the day with text and phone calls regarding your travels.

We heard so much wonderful feedback from so many in the ballroom, it means the world to our family and entire staff

for all your kind words. It's always nice when people recognize the work you do. I want to thank our entire staff whom made this event run so smooth, Kennedy for your first time on the headset, you were a true pro, even giving the details on where the girls wanted to be positioned on stage before their music started. Mackenzie, you made the day so much easier as my right hand person, always there right away with whatever I needed to make our contestants days special.

To our judges: a big thank you for not only taking on the hard job that each judge faces when so many lovely young ladies step in front of you, but for staying and helping us tear down the ballroom for our fashion shoot, while not part of your job description.
