## editor's letter

olivia-paige - pageant girl since 1995

What an amazing busy year we've all had, we've covered so many amazing young ladies in our spotlight pages and written some informative feature stories over the past year. We are looking forward to starting our 7th year anniversary with the spring issue in April, with fun and exciting features.

We are working on new locations of fashion shoots, the next fashion shoot in our line-up is our return to Coney Island, we look forward to shooting our Summer Fashion Editorial there, always a fun time.

For me personally, I finished my first year of my Masters Program Clinical Mental Health Counseling this January at Medaille College, only another 18 months to go. Education is so important, I am truly honored that my younger pageants sisters view me as a role model.

We'll be attending the couture trade shows throughout the year, I will be on the lookout for the next new hot trends in fashion, electronics, music and books, we'll cover them all. Website and Fashion Shoot Sign-up Forms will be updated on Facebook.
